

StudentNet 4.2.07 Meeting Notes

Riverside Counseling & Consulting | Debbie Gibson, Melissa Lewis, and Christy Jacob from RCC came and spoke with us about the counseling and many other services (such as crisis intervention, support groups, and facilitating a ropes course) that they can provide. They can be contacted at 340-0300. They also reminded us about the Child Safety Conference happening Thursday, April 19, from 8:00am – 3:00pm, at Decatur Baptist.

DNOW 2008 | Gabe brought each of us a copy of StudentLife's DNOW curriculum on How To Study Your Bible to review for possible weekend material. You can go to StudentLife's webpage and check this out. We're still checking on Bible prices so that we can give each student a Bible.

Metamorphosis | Sign-up sheets need to be in to Fred Bueto by April 12. We still need many adults to commit to help for the week. Metamorphosis information, flyers, bulletin inserts, sign-up sheets are all available on the StudentNet website.

Freedom Experience | Because of the increase in cost (almost doubling), we have decided to put the brakes on in our planning for the FX tour and consider other outreach opportunities we might have.

Building 429 and Jackson Waters concert | Tuesday, May 22, 7:00pm at Decatur Baptist. Tickets are free but required. Contact Larry Franks for tickets or more info.

StudentNet's Book Club | It's not really a club...unless, you know the secret handshake. Seriously, Gabe (Webmaster Extraordinaire) will be posting books that we've read, and think others might like or benefit from, on the StudentNet website. If you've read any good ones lately, email Gabe and let him know.

Our Next Meeting will be Monday, April 30 @ Trinity Baptist.
