

StudentNet Meeting Notes 4.30.2007

METAMORPHOSIS (June 11-15)

- A representative from the City of Decatur stopped by to say thank you to all the churches that are participating with this project
- Fred Bueto updated us on where a couple of the work sites would be. The first will be near the city cemetery off of highway 20 and the other will be the community at Old Moulton Road and Memorial Drive
- Metamorphosis training material is available for download on the StudentNet website
- Rallies will be held on Sunday and Tuesday afternoons and a closing on Thursday or Friday (depending on which day projects are finished)

DISCIPLNOW 2008 (Feb. 1-3)

- We decided on "Feast" as our theme
- The weekend's theme a secret so that we can add a little mystery and surprise element to it
- Each student participating in DiscipleNow will receive a Bible.
- We are reviewing StudentLife's DiscipleNow curriculum on Bible study and will decide at our next meeting whether or not to use this for our weekend material
- We're planning on making a series of short video clips that lead up to the Wednesday night rally and that each student ministry can use to promote DiscipleNow
- Rally Plans:
 - Wednesday night (Jan 30) – final video, speaker, local band (maybe Shane or Brad), students will be asked to bring canned food items (as the theme is related to feasting, eating)
 - Saturday night (Feb 2) – Middle school and High school rallies, speaker will do a "walk through the Bible"
- We plan on making devotionals available on the StudentNet website

COLLEGE-PREP DAY (this fall)

- We're looking at possible dates for this now
- This is day for our high school junior and seniors and their parents to come learn about the spiritual and practical things in preparing for college
- Class ideas:
 - How To Pick A College
 - College 101 – Picking major, scheduling, grading scale, books, scholarships, etc.
 - How To Stay Christian In College
 - How To Find A New Church and Get Involved
 - Leaving the Nest – For Parents
 - Responsibility and Time Management
 - Safety, date safety
- Next meeting we'll try and get all of this hammered out

FREEDOM EXPERIENCE

Ryan Melson from Vertical Ministries contacted us to let us know that they could offer the FX Tour to us at the cost he had originally told us. In order to get this price, however, we have to commit by a certain time (I forget when this is...sorry). We decided to table and pray about this for the time being.

This is all I have...

NEXT MEETING is Monday, May 21 @ Central Park. This will probably be our last chance to get together until after the summer, so do your best to come.

WORD

Eric Albright, the Prez
